Donna - I was having technical trouble with my email yesterday and want to make sure you received the one i sent previously. Please confirm. Thanks. Nick

Donna,

Attached please find our review of the USC Center for Economic Development. I am headed off for vacation [until August 24<sup>th</sup>](#), so would not be able to do an interview until my return. I don't know if Jessica will be available during that time either, but I've copied her executive assistant Shawn Bratton and communications director Tina Oh for any follow up.

Thanks very much!

Nick
